

Medical Alliance Insurance Company

Risk AdvantageSM Online Education Program

Medical Alliance Insurance Company (MAIC) has once again partnered with ELM Exchange, Inc. to offer risk management continuing education courses. New this program year, additional CEU and discount opportunities delivered to your email in box via ELM Risk and Safety Exchange case studies. Risk management training is a means of reducing adverse events, mitigating professional liability, and improving patient safety at an individual and system level. Reducing risk is a priority for MAIC.

PROGRAM DETAILS

Through our partnership with ELM Exchange, under the **MAIC Risk AdvantageSM** program, physicians can earn up to a 6% credit on their renewing MAIC premium, by completing both the assigned Core Unit courses and ELM Risk & Safety Exchange case studies. For each online Core Unit Course completed, the physician will earn a 1% credit up to a maximum of 4% for four completed courses. The remaining 2% credit can be achieved by completing a total of eight ELM Risk & Safety Exchange case studies. To obtain further information on the MAIC *Risk AdvantageSM* program and additional credit opportunities, go to www.maicinsurance.com contact Mary Stankos - MStankos@team-ihc.org
